## How the BioSlim Weight Loss Discount Club Works

When you arrange for automatic monthly deliveries of your Formulas (the adult 'Ultra' or 'Original' Formulas, or the Youth Formulas, or both), you become a BioSlim Discount Club Member. As long as you're a member — and for at least your first three (3) orders after terminating a Club membership — you'll get **deep discounts** on all orders, plus all other Member benefits, including: special access to the doctor's office, free newsletter, discounts on all other Medicus products, and more. You also get the convenience and safety of automatic home delivery.

Club membership is **FREE**, and you can **cancel** or **change** your membership anytime, at no charge.

Contact one of our friendly Customer Service reps to join the **BioSlim Weight Loss Club** today! Or you can use this product order form for monthly Club orders — just tell us which product(s) you would like delivered, by writing the product code(s) in the appropriate area on the right side of the "Discount Club" box (near the bottom of the front side of this form). Then fill in your shipping and payment information, and mail (or fax) it all in.

Note: If you do NOT want your orders delivered every month, you can choose **any schedule you desire**: just call or email Customer Service and one of our super-helpful reps will enter your Club order exactly as you want it!

**NOTE:** If you mail or fax this form to us, any regular order entered here will be processed as soon as we receive it. If you're also joining the Club at the same time, your automatic Club shipments will start **one month later**, unless you request a different schedule (by contacting Customer Service).
